

# Become part of a Legacy

Worser Bay Boating Club is proud to invite members, ex-members and friends to join the **Legacy Programme** for the rebuilding of our club rooms.

We are aiming for the **Legacy Programme** to contribute **10%** or **\$200,000** towards the building project.

There are two ways you can join the **Legacy Programme**.

The Club is offering the opportunity to be recognised as a **Major Contributor** by acquiring the naming rights to different areas of the new club rooms.

And we are offering the opportunity to become a **Foundation Supporter** by contributing up to \$5,000 to the project.

We hope you will decide to contribute to the rebuild project and become part of our **Legacy** for future generations to enjoy.

If you want to make a **Legacy** contribution or want more information send an email to [donate@wbbc.org.nz](mailto:donate@wbbc.org.nz) or call **Nigel Lloyd on 0274 480 282**

A building project **Legacy Board** will record the names of the **Major Contributors and Foundation Supporters**
