

Become a Business Partner

Worser Bay Boating Club invites you to become a Business Partner.

The club is undertaking a complete rebuild of its facilities in one of Wellington's prime locations. Being an ongoing Business Partner will help your business grow and will support the development of this community facility. It will also help support community based programmes.

It will benefit your business by:

- Regular invitations to Business Partner functions, celebrations and business networking opportunities. Meet like-minded business partners and expand your business opportunities.
- Access to utilise the new facility when completed for business meetings and events and activities. This will be the best meeting spot in town!
- Contribute to the programmes offered by the club to schools and the community – 'learn to sail', 'schools water safety' and 'regional youth development'.

We would like to discuss with you what your involvement with WBBC could do for your business, the local community and the club over the coming years. If this is of interest and you want to explore this unique opportunity please contact John Ashby 021 755 458.
